MEMORANDUM FOR SECURE VIDEO TELECONFERENCING SYSTEM, NETWORK
SECURITY OFFICER

SUBJECT: Conditional Accreditation of the Secure Video
Teleconferencing System (SVTS) Initial Operating
Capability - Automated (IOC-A) Phase

Based on the meeting held on 7 December with you, DCA and NSC staff, I am holding in abeyance your recommendation to conditionally accredit the SVTS for IOC-A. As discussed in that meeting request you assess alternative 3 proposed by the NSC staff and provide your analysis and recommendation to me by 6 January 1989. As the system accreditor I would like to be assured that the system is compliant with existing security policy while still offering the user maximum ease of use.
